All installations should be done by experienced mechanics/vehicle electricians. In the event of your own modifications or making holes in the product, the warranty expires. Always follow the truck manufacturer's bodywork instructions regarding drilling and wiring in the cab. The same applies to the dimensioning of cabling and the connection of lighting.

 $\label{thm:continuous} Truck Style \ Sweden \ AB \ does \ not \ take \ responsibility \ for \ any \ damage \ that \ occurs \ in \ the \ event \ of \ an \ incorrect \ installation.$ 

- Place the left bracket (3) and right bracket (1) on the respective LED-bar (2) with attached fasteners (4-6). Repeat and place the fasteners on the next LED-bar.
  - Right bracket

  - LED-bar
     Left bracket
  - 4. Washer included in Vision X box
  - 5. 2x Spacer washer M8x3
